Approved For Release 2002/10/25: CIA-RDP72B00464R000400070096-0

3 October 1966

SUBJECT: Approval of ECP's GR-89 and GR-90 Contract CW-6744

Dear Chuck,

Subject ECP's are technically approved by the SPO. Request you provide the contractor with formal approval to proceed with them.

Although ECP GR-90 does not call out a Maintenance Manual change, it appears that a change will be needed to explain proper use of the proposed template.

Regards,

Ed R.
